Thank you for our telephone conversation earlier this morning. As we discussed, Enterprise Products is requesting a 30-day extension of the time for responding to EPA's letter concerning the CES Environmental Services site in Houston, Texas, which was dated July 2, 2015. I have attached a copy of this letter for your reference. Enterprise Products received this letter on July 8, 2014. I appreciate your consideration of the request for a 30-day extension, which would extend the time of response to October 6, 2015. Please let me know if you have any questions.

Thank you,
